Angela,

Everyone is planning to attend in-person at the Seattle office. However, if you could arrange a conference call line as a backup (in case travel plans change at that last minute) that would be much appreciated.

Thanks,

Lauren

Hi Kelly,

Yes, Tuesday June 19 from 9 -11 am will work for us. Will your folks participate in person and/or by phone? If in person, I'm assuming we'd meet at the EPA office in Seattle but please let me know if you have a different understanding. If you also have people joining by phone, I can provide a call-in number. Thanks.

Hi Kelly,

I'm following up to schedule the meeting regarding Washington's work to revise their fish consumption rate, human health criteria and implementation provisions.

Below are a few dates/times that we are currently available to meet:

Tuesday 6/19: 9-11

Wednesday 6/20: 10-12 or 1-3

Thursday 6/21: 1-3

Please let me know if any of these options work for your group. The following are planning on attending: Mike Bussell, Angela Chung, Adrienne Allen (water quality attorney), and myself.

I'm going to be out of the office for 2 weeks after today, so if we are not able to confirm a date today, please coordinate scheduling the meeting with Angela Chung (included on this email or at 206-553-6511).
